Re-organisation of Trusts – the Community council did not accept the options offered by the Council, and Mrs Davis would get back in touch with them.

**Treasurer's report** – Mrs Crowe was not present, but the current balance is £841.93p.

**Councillor Reports** – there were no reports as the Councillors were all absent, due to the turning on of Cupar's Christmas lights. Prospective councillor, Karen Marjoram, gave us some leaflets about sensible parking, to display in the village shop.

**Correspondence** –

**AOCB** –

Britain in Bloom – Mrs Dowling has been investigating the possibility of Dairsie getting involved next year. We have missed the boat for application for a grant for 2011, but Mrs Dowling will begin the process of forming a committee of interested people, and getting the village started in a small way in 2012.

Core Paths – Mrs Dowling will check on the path 117 to see if the landowner had remembered not to plough it over again.

Climate challenge fund – Mrs Davis wondered if we could link with the school in any way to apply to obtain money to use in the village. Mrs Dowling suggested the possibility of planting a Jubilee wood on the outskirts of the village, on land maybe not being utilised by a local farmer. She will investigate further.

Date of next meeting – Thursday 26<sup>th</sup> January
